St. Joseph Catholic School is a Catholic community that helps all persons grow to the fullness of their potential and in faith and knowledge

A Flash from Our Week

Reading: **Chocolate Fever**

For the rest of the year our reading will be novel studies like they do in grades 4-8. Our first novel study is a fantasy story about a kid who loved chocolate so much he had chocolate fever! We will be working on chapters 1-3 this week.

Math: **Chapter 6**

We are finishing up Ch. 6 on Friday! We will do our review pages Wednesday, study together on Thursday and then take our test on Friday.

Michigan: **Ch. 4. MI statehood**

In this chapter we will continue following the history of Michigan as we move away from British control and become a state!

Science: **Unit 2 Heredity and Traits**

This week we will discuss how the environment we live in effects our growth and progress. We will do an experiment using seeds to see firsthand how our environment can change how we grow.

Religion: **Ch. 12**

This week we are learning about how God calls each of us to help. We will also talk about Holy Water and its significance.

Join us for adoration at 9am Wednesdays!

Spelling Words

NO SPELLING WORDS THIS WEEK

Notes from Captain Teacher:

There is No School 1/17 and 1/18.

Scholastic Orders went home last week! Orders are due 1/21 by 3pm. Please let me know if you need any help ordering!

Open House is 2/3 5pm-7pm. You are our greatest resource and your testimony about why your child is here could be the inspiration others need! Please plan to attend and allow your child to show off their classroom and their things! Spread the word on Social Media too by sharing posts to get the word out!

2/22/22 is Twin Day Twos-Day! Students are allowed to dress up as a "twin" with a classmate (more than two is acceptable too of course!) and I wanted to warn you in case you wanted to plan something. It will be a super special day!

Snapshot from our week!

They presented their Biography Bottle Buddies! They did such a fantastic job on this project! I am so proud of them! I had very little input in these and simply guided and glued. They did amazing on all the parts of the project and we enjoyed the presentations! We had mass this week and spent a lot of time practicing. They were fantastic in mass! Graysen was our intentions leader and he lit our candle during adoration for our weekly intentions. Our unit in Science has a lot of vocabulary words. We have been playing vocabulary memory and matching to practice these tough words.
