

3rd Grade Heroes

St. Joseph Catholic School is a Catholic community that helps all persons grow to the fullness of their potential and in faith and knowledge

A Flash from Our Week

Reading: **Chocolate Fever**

They are doing great with our novel study! We will continue reading the book this week! We are working on dictionary, vocabulary, connections and summary skills!

Math: **Multiplication**

We will continue focusing on facts early in the week and then begin Ch. 7 which focuses on division. Keep practicing at home with flashcards!

Michigan: **Ch. 4. MI statehood**

We will talk about the Erie Canal and how that brought even more people to Michigan! Then we will discuss how Michigan finally became a state!

Science: **Unit 3 Lifecycles**

This unit is all about living things and their life cycles. This week we will look at lesson 1 and 2 which focus on living and nonliving things and what is a lifecycle.

Religion: **Ch. 16**

This week we are reviewing the Eucharist and receiving Jesus in the sacrament. We will also use this time to review receiving communion. We also will have mass twice this week and you are welcome to join us! Bishop Battersby will be there Thursday at 9:30am mass!

Soar to These Events

- 1/31 - (GYM) - CSW Begins!

Notes from Captain Teacher:

Open House is 2/3 5pm-7pm. Please plan to attend and allow your child to show off their classroom and their projects! Spread the word on Social Media too by sharing/liking/commenting on posts to get the word out!

The Catholic Schools Week schedule has been sent home many times. Below is the list again so your child can participate. Please see the Carpenters Corner for more info.

M- Oxford Strong (or School Spirit Shirt) and uniform bottoms

T- Comfy Cozy Day (PJs or gym clothes)

W- Free Jeans Day and Red White and Blue Day

TH- Regular uniform day / special mass with Bishop and Open House

F- Dress Up Day or Regular uniform day

Snapshot from our week!

What a great week! We had mini cupcakes to celebrate the 185th birthday of Michigan as a state! They finished up our Science unit with a STEM where they had to create bird beaks that could pick up three different types of food. They shared their descriptive snowman story and we had to identify the snowman based on their descriptions! Thanks to the Feeny family who brought in and ran a special experiment, we were able to identify super tasters! They had to taste strips and use their reactions to identify their dominant and recessive trait!
