

3rd Grade Heroes

St. Joseph Catholic School is a Catholic community that helps all persons grow to the fullness of their potential and in faith and knowledge

A Flash from Our Week

Reading: **Chocolate Fever**

We have completed our first novel! We will do some review activities early in the week. Then we will work on a test review. Their test is Thursday!

Math: **Multiplication**

We are still in Ch. 7 which focuses on division. We worked hard last week focusing on the related multiplication facts to show them they really do know how to divide already! Keep practicing at home with flashcards!

Michigan: **Ch. 4. MI statehood**

We will finish up this chapter this week. The test is Wednesday. Chapter 5 is all about how Michigan grows with logging and pioneers!

Science: **Unit 3 Lifecycles**

This week we are focusing on what plants need to survive. We will plant seeds early in the week and will note their growth each day. We will be looking at plant parts and their jobs.

Religion: **Ch. 16**

We will learn about St. Valentine on Monday! Then we will spend this short week in the church. We will review what we see in the church and what they are used for!

Join us for adoration at 9am Wednesdays!

Notes from Captain Teacher:

Monday is a double holiday! Students may wear a red shirt for St. Valentines Day or a 100th Day shirt with uniform bottoms. Remember it is a gym day. We will do our Brunch at 9:30am. If you have signed up for an item please **be sure to have that item in class before that time**. We will also pass out Valentines! We have 13 students in the class!

Henry Ford Field Trip Forms are **due by Thursday with payment**. I have enough drivers/chaperones so we are all good there!

Open House is 2/15 3:30pm-6pm. Please plan to attend and allow your child to show off their classroom and their projects! I hope to see you all Tuesday!

Snapshot from our week!

We were busy bees this week! On Monday we welcomed the Magic Carpet Theater Group and my 3rd graders were active members of their performances! They loved these ladies, and they did a phenomenal job bringing the parables to life! We worked on our couplets in poetry and they came up with some great poems about St. Joseph School! We had fun with our half CSW Week and our make up days this week! We are working on related facts in math and some students came to the board to demonstrate their understanding!
