

HOORAY FOR THIRD GRADE!

NEWS FROM MRS. KEHOE

shanna.kehoe@stjoseph.com | 419.304.7334 | October 7, 2019

St. Joseph School is a Catholic community that helps all persons grow to the fulness of their potential in faith and knowledge.

What We Are Learning:

Math: Students will review for a test on Friday. The class will also be taking IOWA TESTING

Reading. The students will not be having a new story this week due to IOWA Testing. NO Test on Friday.

Spelling. The students will not receive any words this week due to IOWA TESTING. NO Pretest on Thursday and test on Friday. If students, receive 100% on Thursday's pretest they will not have to take the test on Friday.

Social Studies. The students will learn about the crops planted and inventions done by the Indians. Also, IOWA Testing.

Science. The class this week will learn how our environment affects all living things.

English. The class will have a test over Unit 1 on Friday. Next, the students will learn the difference between a common and proper nouns. Also, identifying the subject of a sentence.

Religion. The students will learn about the Church's beginning at the Pentecost and how it grew.

Discipline policy: The students each have two sticks in a pocket on the board. They will receive one warning (homework or behavior) before a stick is removed. If a student loses their two sticks per day, I will contact you about your child's behavior that day.

Teacher Talk:

Upcoming Events:

For Thursday's field trip students need to dress appropriately for the weather and bring sack lunch. The class is to wear the class t-shirt also.

Please practice 15 minutes every night on Math facts with your child.

Celebrate!

Thank you for teaching your children about gifts to the church. If your students brings money to school, I will put into a children's envelope with their name and amount. Your child will put the envelope in the basket at Mass. Thank you for your donation.
