A Flash from Our Week

Reading: Nonfiction

Our new story is They Thought They Saw Him. We are continuing using our nonfiction skills to decode and find information. We will also be working on Author's Purpose.

Math: Groups

Group A is working on graph skills. Group B is working on data and graphs. Groups C and D are working on addition and regrouping! I sent an IXL email! Use IXL to practice their topics!

Social Studies: Unit 3 Economics

We are still focusing on economic skills! We will be working on differentiating goods/services and producers/consumers!

Science: Unit E Ch. 1 Matter

In this unit we will be exploring matter. We will be using labs to learn about solids, liquids and gases.

Religion: Lent

This week we will look closely at Lent! Please discuss plans to give up something for Lent. We will be choosing one to put on our promise board and discuss what that means.

Joins us for Adoration at 8:45am on Wednesday mornings.

Notes from Captain Teacher:

Our Auction is Saturday! It is the most vital fundraiser for our school! This event will help keep tuition costs down and fund other needed programs like technology advances and events. Please make an attempt to come and support this amazing school! I hope to see you ALL there!

A field trip form went home Thursday for a play put on by SMCC. I am only allowed to take 2 chaperones so I have taken the first two forms with payment. I no longer need any chaperones. Please complete the form and send it back with payment by 3/2.

Author Suzanne Selfours will be video chatting with our class on March 17th! She has sent us an order form for her books and anyone who orders will receive signed copies of her book! Orders can be placed online or with a check and form. They are due no later than 3/16.

Snapshot from last week!

We had 4 Stanley's return from their adventures this week! Emi actually emailed a 2nd one to Finland (just in case it wouldn't come back) and so her "2nd" Stanley also came back and we learned about another country! We made a cloud diagram this week and we discussed different cloud types! We also shared our own mini Elephant and Piggie stories!
