What We Are Learning This Week

Language Arts: Beginning Unit 4: "The Wind"; reviewing rhyming and syllables; listening to and discussing "What Happens When Wind Blows?"; beginning to learn sounds of letters; ABC Sounds: students will take turns having the ABC bag to bring in items from home that begin with the letter sound we are learning...see description on next page.

Math: Beginning Chapter 8: "Position and Location". This week we are learning: above, below, top, middle, bottom, over, on, under, inside, outside, and beside.

Religion: Ch. 13 "Advent"; pray over class helper; Adoration, Atrium lesson: The Nativity

Science: Learning about characteristics of each season

Social Studies: Learning about transportation

ABC Sounds/ABC Bag

As we begin to learn about sounds of the letters of the alphabet, each child in our class will have a turn to bring in items that begin with the sound of the letter we are learning. I will send home the ABC Bag with a card indicating which letter your child has. Please help your child gather things from home to bring into school the next day to show the class.

Thank you for your help!

Christmas Chain Random Acts of Kindness

We will be making a Christmas chain to promote random acts of kindness and to count down to the days until Christmas. Your child will be bringing this home by December 1. One link of the chain will be taken off each day starting on December 1. Each link has an idea for your family to do to promote kind deeds for the season of Advent. Feel free to change the acts to fit your family's ability to perform the kind deed. Thank you for helping your child and family get your hearts ready for Christmas! 😊
