Miscellaneous Info:

- Papers we do in school will always come home correct. This is because if there are any mistakes, we correct them in class. I want the students to see what may be wrong and to learn from any mistakes. Tests, on the other hand, will not be corrected. This is a way to see what your child has learned and what may need to be still worked on.
- When ordering Scholastic Books, please let me know if your order is a gift and I will make arrangements to get it to you secretly; otherwise, I will send it home with your child.
- If you are sending money to school, please write your child's name on the envelope or baggie and also indicate what the money is for.
- Please put names or initials on tags of sweatshirts and sweaters.
- Milk can be purchased for \$.50 at lunch, or contact the office to purchase a ticket. There is white and chocolate.
